

MAGNOLIA AQUATIC CLUB

Est. 2003

Magnolia Aquatic Club Sponsorship Opportunity

To Our Prospective Partner.

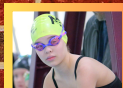

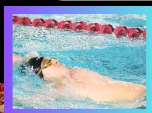

The Magnolia Aquatic Club (MAC) is a year-round competitive swim club based at the Michael D. Holland Aquatic Center, Magnolia ISD. We are a community who strongly believe in building champions for life through swimming. Our club supports programs that range from young children learning the basics to high performance training for elite swimmers.

Your business and Magnolia Aquatic Booster Club have something great in common – we both serve the community of families we care a great deal about! The MAC Booster Club serves one purpose: providing funds for our team to ensure every opportunity for the success of our coaches and athletes.

We are asking you to please consider Magnolia Aquatic Club as a sponsorship opportunity. Your business will gain visibility not only within our community, but with the surrounding communities who travel to compete at the MAC Natatorium. Our MAC families lean towards supporting local businesses that sponsor/donate to our program. We love your business and your commitment to our community. Please know all of your tax-deductible contributions will positively impact our team. Your support helps MAC continue to build champions for life through swimming. Thank you for your thoughtful consideration of our request.

Respectively,

Magnolia Aquatic Booster Club

Become a MAC Sponsor 12 months of Benefits

We are thankful for your partnership in serving the community we care greatly for!

Magnolia Aquatic Club Booster Club is a tax exempt 501(c)(3) organization. Contributions given may be deductible as provided for in the Internal Revenue Code.

Sponsorship Levels
